CARIBBEAN CHARM AND MORE MODERN AMENITIES AT NISBET PLANTATION

Memorable guest experiences earn this small hotel acclaim as one of the world's best

NEVIS, West Indies — 2010 is bringing good news for Nisbet Plantation and its guests. Renowned for blending Caribbean charm with modern amenities, Nisbet Plantation Beach Club on Nevis has added another award to its name and a new amenity to even further enhance the guest experience.

For the third consecutive year, Nisbet Plantation has been named to the 2010 *Condé Nast Traveler* Gold List of the World's Best Places to Stay. This year, Nisbet Plantation was the top-ranked hotel from the two-island nation of St. Kitts and Nevis on the list, which only recognized two hotels from the nation.

For guests, Nisbet Plantation has added complimentary hiker GPS units to make hiking around Nevis more interesting and fun. The Garmin eTrex® is a lightweight, handheld navigator that is rugged and waterproof with up to 22 hours of battery life. Guests can use the GPS to track their distance, coordinates and altitude on guided nature tours around the island or hikes to the top of Nevis Peak with biologist Jim Johnson. Jim operates Top to Bottom guide agency (www.walknevis.com) and leads tours and hikes for Nisbet guests and Nevis visitors, who benefit from his extensive knowledge of the island's flora and fauna.

Other amenities available at Nisbet Plantation include complimentary wireless Internet in all guest rooms, complimentary Flip digital video cameras for guests to capture vacation memories and Vespa scooters to explore Nevis.

With only 36 cottage-style accommodations, the small Nisbet Plantation has earned international acclaim for its romantic atmosphere, beachfront location, exceptional cuisine, personal service and warm Nevisian hospitality. In 2009, Nisbet Plantation earned five major awards from major travel industry organizations including *Condé Nast Traveler*, Expedia® and AAA.

The *Condé Nast Traveler* Gold List 2010 is featured in the January issue of the magazine, which is on newsstands now. The list is also available online at <http://www.concierge.com/tools/travelawards/goldlist/2010>.
