**NISBET PLANTATION BEACH CLUB STRIKES AGAIN:  
NUMBER ONE IN SERVICE IN CARIBBEAN, BERMUDA, BAHAMAS**

NEVIS, West Indies — It's all about service — that's what [Nisbet Plantation Beach Club](#) demonstrates again as it continues to receive worldwide recognition from travel experts and independent travelers alike. Nisbet has just been named the top hotel for service in all of the Caribbean, Bermuda and Bahamas on the *Condé Nast Traveler* Gold List in the January issue on newsstands now.

This independent, boutique Caribbean hotel of only 36 accommodations welcomes guests like family to their beachside historic plantation inn. It's that personal service that has landed Nisbet at the top:

- Number one for service in all of the Caribbean, Bermuda and Bahamas on the 2009 Gold List of the World's Best Places to Stay, culled by the *Condé Nast* editors from the results of their 2008 Readers' Survey.
- Best Luxury Hotel in all of the Caribbean and Latin America in the 2008 TripAdvisor Travelers' Choice Awards.
- **AAA** 4-Diamond ratings, times two, again in 2008 for the resort and the Great House dining room. The Great House offers exquisite dining in an elegant air-conditioned setting, one of only two on the entire island of Nevis.

An intimate resort, Nisbet is the only Caribbean plantation inn located directly on the beach. With its charming cottages spread across 30 acres, fine dining and warm Nevisian hospitality, Nisbet garners the attention of traveling sophisticates across the globe.

"Though Nisbet is a small, independent Caribbean hotel, it is fitting that savvy travelers have singled out this resort as the exceptional little jewel where they can come and totally relax," says General Manager Jamie Holmes. "By the time our guests have settled into a cottage near the beach for a private retreat, the staff already knows them by name."

**About Nisbet Plantation Beach Club**

Nisbet Plantation Beach Club is the Caribbean's *only* deluxe plantation inn located directly on the beach. It is one of the Caribbean's historic sugar plantations and the ancestral home of Fanny Nisbet, the loving and ever-faithful wife of Britain's most famous naval hero — Lord Admiral Horatio Nelson. The plantation's beautifully-restored Great House, c. 1778, and 36 charming cottages all with modern conveniences are set in 30 acres of lush tropical foliage. The resort recently completed a multi-million dollar renovation.

All of the guest accommodations' interiors were completely redesigned in 2006 and improvements continue. An artificial reef was completed in 2007 and already has enhanced the beach environment for ocean life and swimmers. Nisbet just reopened The Palms Spa, its on-site spa completely redesigned in an expanded space offering a full selection of massage and treatments, as well as signature amenities and world-renowned Epicuren's healing products.

**About Nevis**

This 36-square-mile Caribbean island lies near the top of the Lesser Antilles archipelago, about 200 miles south of Puerto Rico, and just west of Antigua. This island jewel is approximately 7 miles long and 5 miles wide, with natural vegetation that is unparalleled. Nevis is one of the remaining unspoiled places on earth.

From the top of the 3,232-foot Nevis Peak created by the only shield volcano in the Caribbean, to the depths of the clear waters offshore, there is a world of flora and fauna to be explored.
