NEVIS, West Indies — Give your loved ones an intimate Christmas vacation at [Nisbet Plantation Beach Club](#), the Caribbean's only historic plantation inn directly on the beach and ranked number one luxury Caribbean resort by TripAdvisor. Stay seven nights and Christmas is free.

The tropical paradise of Nevis is magical during Christmas. At Nisbet, this holiday is even more special as guests receive gifts from the hotel throughout their stay:

- Stay three to four nights and receive a complimentary bottle of champagne.
- Stay five to six nights and receive a complimentary one-hour massage. Or upgrade to a couples massage for only \$60.
- Stay seven to 10 nights and Christmas is free! If you arrive between Dec. 15 and 18 and stay seven nights, your last night is free! Nisbet even will take care of your taxes on Christmas. About Nisbet Plantation

Nisbet Plantation Beach Club is the Caribbean's only deluxe plantation inn located directly on the beach. It is also one of the Caribbean's historic sugar plantations and the ancestral home of Fanny Nisbet, the loving and ever-faithful wife of Britain's most famous naval hero — Lord Admiral Horatio Nelson.

The plantation's beautifully-restored Great House, which dates from 1778, and 36 charming cottages all with modern conveniences are set in 30 acres of tropical foliage.

Nisbet Plantation was named the #1 Luxury Resort in the Caribbean and Latin America and #6 in the World in the 2008 TripAdvisor Travelers' Choice Awards. Condé Nast Traveler's readers rank Nisbet in the top 3 of all Caribbean resorts. From AAA, Nisbet has garnered two 4-Diamond Awards — one for the hotel and one for the Great House dining room — one of only three air-conditioned dining venues on Nevis. If customer satisfaction is the key measure of the quality experience a guest receives, then it is important to note that Nisbet Plantation is one of the Top 10 Caribbean hotels based on reviews posted on TripAdvisor.com and one of only a handful of hotels to receive a perfect 5.0 Rating.

[About Nevis](#)

This 36-square-mile Caribbean island lies near the top of the Lesser Antilles archipelago, about 200 miles south of Puerto Rico, and just west of Antigua. This island jewel is approximately 7 miles long and 5 miles wide, with natural vegetation that is unparalleled. Nevis is one of the remaining unspoiled places on earth. From the top of the 3,232-foot Nevis Peak created by the only shield volcano in the Caribbean, to the depths of the clear waters offshore, there is a world of flora and fauna to be explored.
